

## TAAG & TAPC Village Hall Event 1<sup>st</sup> November 2024 3.00 – 7.00p

Gloucestershire County Council (GCC) have recently published route options for changes to the A46 that will significantly affect our villages. 1 of the options (Option A) proposes bringing the A46 down the A435 from Teddington Hands roundabout to seven-bends, which will have a significant detrimental effect on us.

They are running a public engagement exercise which started on 7<sup>th</sup> October and runs until 2<sup>nd</sup> December. Full details, including the routes options, maps, consultation document, brochure etc. can be found on the GCC website.

Or if you don't use the internet, we have printed copies of the GCC brochure and their survey. Just contact us for your copies.

TAAG are holding a drop-in event with the Parish Council at the village hall on **Friday 1<sup>st</sup> November from 3.00 – 7.00pm** to allow residents to get the full picture and hear our views on the plans. Printed copies of their brochure and survey will also be available on the day.

We hope you can make this event. This could be our last chance to influence where the new road goes and make sure Option A is off the table for good.

Reminder TAAGs own on-line questionnaire is still available until Monday 4<sup>th</sup> November at 12.00pm.
